

Survivorship Palliative Care Task Force  
Fiscal Year 2016-2017 Action Plan

**Survivorship and Palliative Care Task Force**

Staff Contact: Kristen Power, kristen@nevadacancercoalition.org, 775-737-4056

Chairperson: Tom McCoy, tom.mccoy@cancer.org, 775-828-2206

Vision: Improve Nevada cancer patients' and survivors' quality of life through increased awareness, education, and access to palliative care and survivorship resources and services, while also increasing knowledge of both survivorship and palliative care among health care professionals.

<b>Objective: Identify opportunities to expand survivorship care and palliative care to cancer patients and survivors in Nevada.</b>				
<b>Leads</b>	<b>Key Activities</b>	<b>Due Date</b>	<b>Mtg. Date</b>	<b>Status on Activity</b>
Kristen	Work with partners to identify best practice programs and resources for survivorship in Nevada.	Ongoing	9/1/2016	NCC working on series of 8 survivor focus groups across the state. Provided task force with outline of concept. Will provide draft discussion guide and more details prior to next meeting for partners to review. Groups tentatively scheduled for January/February 2017
			10/20/2016	Reviewed opportunity to add survivorship questions to BRFSS. Decided against this. Discussed plan for survivor focus groups and reviewed more developed project description.
			1/26/2017	Reviewed draft idea for a private/closed Facebook support community group for metastatic breast cancer patients. Group liked plan and NCC will look at pursuing this in the coming months as a pilot for northern Nevada since the request originated from that region. Will also look to ID funding support.
			3/23/2017	Reviewed proposal for private/closed Facebook support community for young adult cancer survivors. Group liked plan, but doesn't have capacity. Individual that proposed the group will launch it and include NCC as an admin to monitor.
			5/25/2017	Reviewed findings from Survivor Focus Groups and identified actionable recommendations to include in report. Report scheduled for completion 6/30/17
Kristen / Task Force	Identify tools and/or create tool to educate physicians and the community about benefits of palliative care.	Ongoing	9/1/2016	No update
			10/20/2016	Shared "Plan Your Conversation" cards from Patient revolution, palliative care tools for patients to have open and meaningful conversations with healthcare providers. MaryAnn Brown noted a caregivers roundtable to discuss challenges and opportunities. She'll report back.
			1/26/2017	NCC provided draft text for new coalition website that includes community and provider resources for palliative care, survivorship, and clinical trials. Requests task force partners to review and provide feedback.
			3/23/2017	Policy update on status of palliative care bill that is currently passing through NV legislative session.
			5/25/2017	Reviewed findings from Survivor Focus Groups and identified actionable recommendations to include in report. Report scheduled for completion 6/30/17

Survivorship Palliative Care Task Force  
Fiscal Year 2016-2017 Action Plan

<b>Objective: Increase the number of survivorship care programs for adults</b>				
Connection to Cancer Plan: Survivorship goals 4.3 and 4.4. Treatment goal 3.2 to increase education opportunities on palliative care.				
Leads	Key Activities	Due Date	Mtg. Date	Status on Activity
	Identify partners and funding sources to expand Cancer: Thriving and Surviving (CTS) or other evidence-based survivorship program to rural communities.	Ongoing	9/1/2016	Recommended CTS program to partners in Elko to provide survivorship services and
			10/20/2016	Saint Mary's is wrapping up the pilot of their Empower Your Journey workshop series. It replaces A Time to Heal and is open to survivors of any cancers.
			1/26/2017	YMCA Southern Nevada offering "LIVESTRONG at the Y" evidence-based survivorship program. Elko Cancer Network & NE NV Radiation Oncology offering support groups and nutrition classes in Elko.
			3/23/2017	No update.
			5/25/2017	Connected Sanford Center for Aging and Carson Tahoe Cancer Center to discussion partnership opportunity for CTS

<b>Objective: Increase the number of educational opportunities on survivorship and palliative care for adults at nursing and medical schools within the state and for PCPs and nurses.</b>				
Connection to Cancer Plan: Survivorship goal 4.2.				
Leads	Key Activities	Due Date	Mtg. Date	Status on Activity
	Develop key areas of conversation and questions for survivorship care plan focus groups with primary care providers, oncologists and survivors.		9/1/2016	No movement on focus groups with providers. Working on groups for survivors first.
			10/20/2016	No update.
			1/26/2017	First survivor focus group hosted 1/25. 7 more scheduled for February and March. At this point no move to do an assessment of providers.
			3/23/2017	Focus groups completed.
