

Survivorship Palliative Care Task Force  
Fiscal Year 2016-2017 Action Plan

**Survivorship and Palliative Care Task Force**

Staff Contact: Brigette Cole, Brigette@nevadacancercoalition.org, 775-737-4056

Chairperson: Tom McCoy, tom.mccoy@cancer.org, 775-828-2206

Vision: Improve Nevada cancer patients' and survivors' quality of life through increased awareness, education, and access to palliative care and survivorship resources and services, while also increasing knowledge of both survivorship and palliative care among health care professionals.

<b>Objective: Identify opportunities to expand survivorship care and palliative care to cancer patients and survivors in Nevada.</b>				
<b>Leads</b>	<b>Key Activities</b>	<b>Due Date</b>	<b>Mtg. Date</b>	<b>Status on Activity</b>

<b>Leads</b>	<b>Key Activities</b>	<b>Due Date</b>	<b>Mtg. Date</b>	<b>Status on Activity</b>
	Identify partners and funding sources to expand Cancer: Thriving and Surviving (CTS) or other evidence-based survivorship program to rural communities.	Ongoing	2/22/2018	No discussion
			4/26/2018	No discussion
			6/28/2018	No meeting
			8/23/2018	No discussion
			10/25/2018	

Survivorship Palliative Care Task Force  
Fiscal Year 2016-2017 Action Plan

<b>Objective: Increase the number of educational opportunities on survivorship and palliative care for adults at nursing and medical schools within the state and for PCPs and nurses.</b>				
Connection to Cancer Plan: Survivorship goal 4.2.				
<b>Leads</b>	<b>Key Activities</b>	<b>Due Date</b>	<b>Mtg. Date</b>	<b>Status on Activity</b>
Kristen/Brigette / Task Force	Create training series for providers educating about cancer survivorship issues from Dx through longterm treatment effects and end of life care.		2/22/2018	Reviewed concept of developing a series of 3-5 minute "appetizer" videos that encourage PCPs to delve deeper into learning how to work with patients that are survivors. Identified list of topics and potential speakers. Also discussed looking for funding to support enhanced production value.
			4/26/2018	
			6/28/2018	No meeting
			8/23/2018	Discussed opportunities to educate providers via existing channels and opportunities such as at health care conferences, Project ECHO, and similar. All members agreed this was a great way to get out and connect providers with information one-on-one. Charmian has already agreed to do a NILE webinar with Immunize Nevada on vaccinations for survivors, scheduled for 8/31/18
			10/25/2018	
	Create partnerships with medical schools within the state to advance concept of survivorship and palliative care within curricula.	Ongoing	2/22/2018	No discussion
			4/26/2018	No discussion
			6/28/2018	No meeting
			8/23/2018	
			10/25/2018	
Kristen/Brigette / Task Force	Identify tools and/or create tool to educate physicians and the community about benefits of palliative care.	Ongoing	2/22/2018	Palliative care will be included in training series noted above.
			4/26/2018	
			6/28/2018	No meeting
			8/23/2018	Palliative care will be included in presentations discussed for Project ECHO. Additionally, NCC is offering pain management/substance abuse panel at Summit in September to educate physicians.
			10/25/2018
