

Surveillance and Research Task Force
Fiscal Year 2017-2018 Action Plan

Surveillance and Research

Updated 1/15/2018

Staff Contact: Cari Herington, cari@nevadacancercoalition.org, 775-737-9720

State Contact: Christine Pool, cpool@health.nv.gov

Vision: To ensure complete and timely collection, dissemination, and utilization of comprehensive and cancer-related surveillance data for cancer control planning, implementation, evaluation, and research in Nevada.

Goal 5.1: Improve Nevada Central Cancer Registry's (NCCR) certification status by identifying under-reporting issues, modifying NAC 457, and establishing data quality feedback for providers to ensure compliance with reporting requirements.				
Leads	Key Activities	Due Date	Mtg. Date	Status on Activity
Cari	Coordinate quarterly advisory board meetings	12/31/2018	2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018	
Christine	Work with stakeholders on NAC language to be presented to Board of Health in December	3/9/2018	2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018	
Cari	Identify leaders in cancer data reporting and solicit information on cancer data collection	12/31/2018	2/8/2018	Survey developed and link sent out via multiple channels.
			5/10/2018	
			8/9/2018	
			11/8/2018	
Cari/Emma and Task Force	Develop communication and training materials for NCCR	6/30/2018	2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018	

Surveillance and Research Task Force
Fiscal Year 2017-2018 Action Plan

Goal 5.2: Produce research and cancer control information useful for stakeholders and the public in Nevada. This includes identifying priority areas for epidemiological and research reports through stakeholder input, and disseminating timely data and research reports to various audiences.

Leads	Key Activities	Due Date	Mtg. Date	Status on Activity
Cari/Lily	Identify information priorities and needs of stakeholders	Ongoing	2/8/2018	Survey developed and link send out via multiple channels.
			5/10/2018	
			8/9/2018	
			11/8/2018	
Cari/Lily/NCCR	Develop and disseminate data and research reports including the yearly evaluation of the Cancer Plan	Ongoing	2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018	

Goals 3.3 and 3.4: are to increase the enrollment of adults and children in clinical trials, involving research as to the current use of short form consents and identifying all providers of clinical trials across the state.

Leads	Key Activities	Due Date	Mtg. Date	Status on Activity
Task Force	Identify barriers to clinical trial enrollment in the state	12/31/2017	9/14/2017	Dr. DiMuro reported on AB 214 regarding increasing diversity in clinical trials. Barriers include continuing misconceptions regarding clinical trials, lack of public awareness.
			2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018	
Task Force	Build action plan and priorities	3/30/2018	2/8/2018	
			5/10/2018	
			8/9/2018	
			11/8/2018
