

NOTICE

The use of tanning devices by persons under 18 years of age is prohibited by Nevada law.

Health Warning

Tanning devices such as sunlamps, tanning booths, and beds use ultraviolet radiation. Health risks associated with tanning include, without limitation:

- Skin cancer
- Premature aging of the skin
- Burns to the skin
- Eye damage (both short and long-term)

It is unlawful for the owner or operator of a tanning establishment to allow a person who is less than 18 years of age to use any tanning equipment. An owner or operator violating this law shall be subject to civil penalties.

Any person may report a violation of this law to any law enforcement agency.
